### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the cited prior art does not teach a method of determining a distance of a projection point of a first imaging beam of an imaging device from a measuring point of a measuring device on a surface of a printing form, comprising the steps of forming a difference of the at least one position of the measuring device and a correlated position of the first imaging beam where the first imaging beam was located as the part of the first pattern was imaged, and step of forming a sum of the difference of the least one position of the measuring device and the position of the first imaging beam and the difference of the at least one position of the measuring device and the position of the second imaging beam (as in claim 10).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamini S. Shah whose telephone number is 571-272-2279. The examiner can normally be reached on IFP.
